

TENDERLING DESIGN

Tenderling Named Web Excellence Awards Winner for Oil Nut Bay Website

May 23, 2025

Austin, Texas: Tenderling has been honored as a winner in the 15th Web Excellence Awards. The company's entry, Oil Nut Bay, has been recognized for their excellence in the Website category, showcasing their commitment to innovation and superior performance in the digital space.

The Web Excellence Awards, a pioneering platform that acknowledges and promotes excellence in web development and digital innovation, celebrated an impressive array of talent and innovation from around the globe, reinforcing its mission to recognize and celebrate extraordinary achievements by creative teams and individuals worldwide.

"We're so proud of this team and this website, so we're thrilled to receive this recognition," said Partner James W Moore. "We can't wait to move forward and keep creating better digital experiences."

Tenderling is proud to be recognized as a top-performing agency that helps brands build more thoughtful, engaging, and high-performing digital experiences. View the Oil Nut Bay website entry [here](#).
